WHAT THE WARRANTY COVERS:

PRE-INSTALLATION LIMITED WARRANTY

The flooring is warranted to be free of manufacturing and visual defects. You and/or your installer should carefully inspect each piece prior to installation. Any pieces that appear to have defects should be set aside and should not be installed. Chesapeake Flooring will not be responsible for any claim for product installed with known manufacturing or visual defects. Chesapeake Flooring will not pay labor costs for flooring installed with known manufacturing or visual defects.

Should wear-through of the wear layer occur, Chesapeake Flooring will at its sole discretion, repair or replace that portion of the flooring determined to be defective, with product of the same or similar style, size, color, grade, and gauge.

Flooring is warranted for a period of 10 years to resist permanent staining caused by pet urine from domestic dogs and cats when the floor is thoroughly cleaned following recommended cleaning and maintenance practices within 72 hours of incident.

If a covered event should occur within the specified warranty period, Chesapeake Flooring will provide product of the same or similar style, size, color, grade, and gauge to repair or replace that portion of the floor deemed to be defective. If the flooring was professionally installed, reasonable and customary labor will be paid for the approved repair or replacement. Labor must be provided by a certified professional flooring installer, using the guidelines set forth by Chesapeake Flooring in the installation guidelines and maintenance procedures. The cost of repair or replacement labor by a professional installer will be prorated and paid according to labor rates approved by the manufacturer.
