Weight Per Carton	56.52 lbs/25.64 kg
Country of Origin	Vietnam

THISTLE - TIM376

Naturally occurring splits, knots and burls are prominent design elements of Timberland Plank. Saw and chatter marks are added to light wire brushing and subtle hand scraping to further enhance the modern, rustic visuals.

Chiseled edges and ends accentuate the long lengths and alternating width plank pattern. The durable, low-luster finish is protected with a lifetime residential finish warranty to ensure years of worry free enjoyment.

Goldenrod TIM370

Smoke TIM375

Prairie TIM374

Thistle TIM376

Chestnut TIM377

*All measurements are nominal. Wood swatches displayed may not show all possible variations in natural wood characteristics. It is these naturally occurring characteristics (mineral streaks, knots, pinholes, etc.) that give each hardwood floor unique warmth and beauty.
